## Behaviour

Despite our best efforts, we are still dealing with issues regarding junior members behaviour at training and matches. To be clear, post Covid, this is a acknowledged concern with children's emotional and behavioural development having been impacted but in order to be able to manage this and prevent disruption we are, effective immediately, introducing a firmer code of conduct with defined penalties for misbehaviour:

### Training

1. That at senior coaches' discretion and after a warning, we may send members out of sessions for either a fixed time period or for the remainder of the session
2. At a higher level, we will ban them from training and/or match selection for one week.

Actions that trigger this:

- Consistent misbehaviour that is disruptive to the group
- Foul language
- Refusal to follow instructions

### Matches

That on field dissent or other actions during the match deemed to bring the Club into disrepute:

1. If fielding first the player be dropped down the order if appropriate or vice versa, not bowl
2. At a higher level, we can ban them from match selection for one week.

Please note that we are a volunteer run club and where we employ coaches, we do so for the purpose of preparation and running of sessions. Our capacity to interact with parents is limited and as a members' club, the onus is totally on the member to avoid behaviour that results in sanctions.
